HILLTOP CLASSIC

19 86

Bishop O'Dowd High School

Oakland, CA.

WELCOME TO THE 1986 HILLTOP CLASSIC !!

For six years we have been sponsoring the Hilltop Classic at O'Dowd. The original tournament directors were Judy Steele and Dan Sauvain. We are happy to continue the tradition of fine women's high school basketball during the holidays.

This year we feature some of the finest teams in the East Bay. We are expecting another great tournament, with all the excitement of last year's. (Remember Sara Lillevand's last second "fallaway" jumper vs. American that sent the game into overtime!)

Last year's runner-up, El Cerrito, returns bringing with them a lofty 10-0 record, their #1 East Bay ranking, and hopes of a championship. Moreau (7-2) has to be considered a definite threat to upset the Gauchos. Logan, which boasts of recent upset victories over previously unbeaten Redwood and highly ranked Amador Valley, is a serious contender. Liberty (5-2) has been very strong in the preseason and must be considered a contender. The "hometown favorite" O'Dowd Dragons have hopes of winning their own tournament for the first time in recent years. Granada, San Leandro, and Sunset, who've all enjoyed some success early this season, round out the impressive field.

A hearty welcome to all fans and parents, and GOOD LUCK to all teams and coaches! May sportsmanship and goodwill reign on the court and in the stands.

May the joy and peace of Christ be with us all during this Christmas season, and throughout the year.
